THE people hardest to convince are those who do not want to be convinced—or won't be convinced. Some of the Saloon Keepers of Maysville are just now paying their warmest compliments to The Ledger Man—behind closed doors, however. This, presumably, for no better reason than that The Ledger stands for Law, and that it is unalterably opposed to Gambling. Since such a defiant attitude has been assumed by certain Saloon Keepers who operate gambling annexes, I have, as the friend of intimate saloons, volunteered some advice to these gentlemen, urging them to respect and the Law if they wished to continue the business. I am opposed to anything so impractical—and impossible; therefore, opposed to Prohibition. On the other hand, I am heartily in favor of High License, rightful observance of the Law under it. I'd like to see the fee in Maysville fixed at \$1,000 a year. This would result in a greatly reduced number of saloons, while the city would be equally as great as at present. It would then be a "survival of the fittest," and the remaining saloons would be conducted by more responsible men and upon a higher plane. Violation of the Law governing these establishments, particularly a repeated violation, should meet the Saloon Keeper to a forfeiture of license, with no hope of ever getting another; and the man with that much at stake would be slow to take risks.

If my friends down along Market street don't know it, I can tell them that every indictment against them by the late Grand Jury was a spike in their business coffins, the indictments for fostering Gambling in connection with their saloons being especially effective. If the question were submitted to a vote tomorrow, the saloon would go—lock, stock and barrel—to say nothing of the jug. If you want to save yourselves, you must cut out Gambling altogether, and obey the Law otherwise. If you don't think so, just continue as you've been doing.

It is officially announced that it costs very much more for the Government to build a warship than it does to have one built by private contract. This is due to the fact that Government business is carried on regardless of business principles; but why it should be so is a matter for the taxpayer alone to find out—and change.

The testimony now being given in Chicago by the "sluggers" employed by CORNELIUS P. SHEA, President of the International Teamsters Union, during the teamsters' strike in that city last year, is a blot on civilization. But, then, it is no more than might have been expected at the hands of the class which, unfortunately, has gotten control of so many Labor Unions, notably those of the "unskilled" variety, made up of the very scum of the big cities. Oh, the shame that the Glorious Old Typographical Union should be "affiliated" with such riff-raff!

HER KIND HEART.

"Before we were married," complained his beautiful young wife, "you said you would be willing to die for me."

"Yes, dearie," the trembling old man replied, having missed the point of her remark; and I meant every word of it. Why, I only live for you, my little girl."

Not having the heart to let him know, she locked herself in her room before permitting her tears to flow.

DO NOT FORGET

The Christmas holidays are approaching and your minds may be somewhat taken up with the selection of presents for those in whom you are most interested. This, however, should not cause you to lose sight of the all important matter of securing a farm or dwelling.

I have recently had placed in my hands for sale a tract of 400 acres of the best character of Bourbon county land that will produce the finest quality of tobacco and the heaviest growth of hemp. It is in a high state of cultivation. Can sell in tracts to suit the purchaser. It is located 4 miles from Paris on the Maysville and Lexington Turnpike and the Bluegrass Traction Line.

I have another tract of Bourbon county land, containing 278 acres, about 3 miles from Paris, on the Rattles Mills Pike, that I am offering for \$75 per acre.

Another tract of 430 acres on the Maysville and Lexington Turnpike 2 miles from Millersburg. This is a high class, well improved stock farm.

Another tract of Bourbon county land, containing 197 acres, on good pike, about 8 miles from Paris.

If any of the above properties do not interest you I shall be glad to have you come and tell me the size and character of farm which you wish to buy. I will do my utmost to suit you, as I have quite a number of excellent farms in my hands for sale.

Lovel's Holiday Special!

My unusually heavy purchases for the holiday trade are now in and opened up. In immensity and variety of stock, in extra quality of goods and in cheapness of prices I am, as heretofore, away ahead of all competitors. I have taken special pains in selecting these goods, and every article I sell is guaranteed to be just as recommended. I sell only the best goods and the most reliable brands. Everyone during the holidays will want some of the following goods, of which I have a large supply: Raisins, Figs, Dates, Citron, Lemon and Orange Peel, Almond's Plum Pudding and Mince Meat, Prunes, Evaporated Peaches and Apples, Cocoanuts, Maple Syrup, Maple Sugar, Buckwheat Flour, Oranges, Grape Fruit, Lemons, Bananas, Malaga Grapes, Catawba Grapes, Apples, Nuts, mixed and un-mixed, Cranberries and Celery; also, a big supply of FINE CANDLES at the most reasonable prices.

FIREWORKS—I had determined to not sell any more of these goods, but much of my trade in CANDLES, CANNON CRACKERS and TORPEDOES is immense, and the prices will be so low that every one can afford them. Merchants who want to lay in supplies for their trade can buy them as low as they can anywhere, and the goods are of the very best.

My stock of CANNED GOODS is new, full and complete, as is my stock of NEW CROCK POT LASSES, GREENUP COUNTY SORGHUM, COFFEES, green and roasted, TEAS of all kinds. I have just received another big lot of FANCY NEW MACKEREL direct from Boston. I lay and pay cash for all kinds of Poultry, Butter, Eggs, Country Hams, and I want for my holiday trade

THURSDAY, DECEMBER 13th.

MAYSVILLE, KY., December 5th, 1906.
To the People of Maysville, Mason and Neighboring Counties: I wish to say that my entire stock of Suits, Overcoats and Furnishings for Men, Boys and Children, also Trunks, Suit Cases and Bags, will be sold, not, however, to discontinue business, but to enable me to carry out my plans for the coming spring and summer. By adding more space, and having it well filled for this fall and winter, whose weather thus far has been against me, finds me with too much stock. It must be sold. I am going to convert it into cash, realizing that now, while you can use it, is the time to sacrifice; also, while the sizes and lots are unbroken. In this unloading sale are the products of the leading manufacturers of the country. The price will cause you to purchase. The same condition governs this sale that has been our pride—satisfaction guaranteed to all, exchanges made without hesitating and to any one who wants it their money is refunded. Beginning this day the sale will continue until the stock is reduced.

Thanking all for previous patronage, I am,
Respectfully,
J. W. LEE.

DEEDS, NOT WORDS.

Maysville People Have Absolute Proof of Deeds at Home.

It's not words, but deeds that prove true merit.
The deeds of Doan's Kidney Pills, For Maysville kidney sufferers, Have made their local reputation. Proof lies in the testimony of Maysville people who have been cured to stay cured.
John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:
"I first procured Doan's Kidney Pills in 1899 at J. Jas. Wood & Son's Drugstore, and they stopped an attack of backache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciated the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."
For sale by all dealers. Price 50 cents a box. Foster-McLaren Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no substitute.
